

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

GILEAD SCIENCES, INC.,
Plaintiff,
v.
MERCK & CO, INC., et al.,
Defendants.

Case No. [13-cv-04057-BLF](#)

**ORDER REGARDING GILEAD'S
MOTION FOR ATTORNEYS' FEES**

[Re: ECF 434]

Gilead is requested to provide the Court with a summary of hours expended on the major tasks necessary to prosecute this action as set forth on the chart below. The Court expects that the total number of hours will equal the hours set forth in the Motion for Attorney Fees. The information requested will provide the Court with a clear understanding of the Lodestar amount requested by Gilead and assist the Court in assessing the reasonableness of the hours expended.

Task	Booker	Hardin-Smith	Oakes	Flanagan	etc.
Pre-Suit Investigation					
Drafting Initial Complaint					
Discovery, including motions to compel					
Infringement/Invalidity Contentions					
Claims Construction					
Motion for Summary Judgment					
Trial Preparation					

1	Trial				
2	Miscellaneous (describe)				
3	Total Hours				

4

5 While the Court has suggested the above categories of tasks, Gilead may add or modify

6 categories as necessary to allow the Court to have a full understanding of the hours expended on

7 this action. The Court is only interested in the amount of hours spent per task and not in the

8 billing rate associated with those hours. If the Court decides attorneys' fees are warranted, and

9 decides a reduction in hours is required for certain tasks, the parties will be expected to meet and

10 confer and agree on what rate should be applied to those hours (e.g. blended billing rate).

11 The Court also orders Gilead to produce its full timekeeping records to Merck so that

12 Merck can evaluate the reasonableness of the fees sought by Gilead.

13 Gilead shall file the completed the chart with the Court and produce its billing records to

14 Merck by July 27, 2016.¹

15 **IT IS SO ORDERED.**

16 Dated: July 20, 2016
